Story of the month

John M. from Pomona, NJ shared this story on our web site:

"Our college ministry recently conducted a Club Fair outreach. Student clubs and organizations were allowed to set up tables all around one of our wings and promote our club. While promoting our club was great, in the end it

OCTOBER 2009

Dear Member:

Autumn is a time of connections and reconnections. Summer is behind us, and now we're refreshed and ready to reconnect with duties and responsibilities, or connect with new ones.

If you're a student, the opening school term gives you the opportunity to reconnect with your friends and to connect with new classmates, instructors, or coaches. If you're employed, connect with co-workers, suppliers and mentors. Autumn is the perfect time for students, and for all of us, to renew our commitment to sharing the Gospel so others can become connected to Christ!

"Let no one despise you for your youth, but set the believers an example in speech, in conduct, in love, in faith, in purity."

1 Timothy 4:12

The Pocket Testament League provides useful and easily available resources to help make your connection with Christ fruitful, and your connections with people Christ-centered and effective.

Here are just a few:

Gospel of John booklets

Share the Gospel of John with friends, instructors, co-workers, and supervisors. If you doubt you can make a difference in someone's life by handing them a Gospel booklet, consider the opening words of a story posted to our website by a university student from Jonesboro, AR:

"In my difficult time, the Gospel was given to me, and it gave me hope to stay on earth."

The Gospel connected Wilson with his Lord and Savior, and with Life. Order your supply of Gospel booklets on our website by clicking the "Resources" menu button at www.pocketpower.org and then clicking "Gospels" in the left side navigation menu.

was all about promoting Jesus! We gave away a lot of free stuff. This included Bibles, Christian books and booklets, water bottles, laundry nets, and naturally, the Gospel of John booklets. Giving away so much free stuff helped us attract people to our table so we could start conversations with people and explain what we were handing out, and more importantly, why. Many people heard the Gospel, plenty signed up for more information, and many people agreed to come to our big group meeting where an evangelical message will be preached. God is doing great things on this campus, and the Gospel of John booklets are a great tool in helping us spread the Good News.”

Great ways to share

Some ways that real members have described how they share their faith are shown below. Learn more ways by visiting [Resources > How to Share > 92 ways to share](#) on our web site.

#19 Two friends dressed up as angels on Halloween and gave out 250 going house to house. What a great trick on Satan!

#47 Are you ever afraid to give it to older people? A man in Corpus Christi, Texas, gave it to an 80 year old who asked him how he could receive Jesus and go to heaven.

And while you're connecting with your friends, instructors, co-workers, and others, don't forget those closest to you. In most families, there are some who have fallen away from the faith, or who have never accepted the Good News of Jesus Christ. What will you do to connect with them? Think about it.

Autumn events and the upcoming holiday season may provide just the opportunity the Holy Spirit is waiting for!
