

## **GOAL: INVITE 100,000 PEOPLE TO MEET JESUS ACROSS CHINA**

Being a Christian in China means living under the constant threat of overwatch and eventual punishment. We say eventual because our brothers and sisters in China carry it as a badge of honor to spend time in prison for sharing their faith and know that it is a likely consequence they will face in life. But, even with that threat, they count it a blessing to be scrutinized for Christ!

**Each day, as restrictions on sharing their faith get tighter and tighter, Chinese Christians continually stand bold and work tirelessly to share their faith, lead their churches, and be lights for Christ in a country that is trying to eliminate the name of Jesus.**

**Since 2009,  
over 19.6 million  
people in China  
have been given  
the opportunity to  
meet Jesus.**

The Pocket Testament League is strategically focused on keeping an influence in China and working with our Partners on the ground to provide as many Gospels as possible each year without drawing too much attention from a government that could shut us down. By God's grace and provision, we have some godly men who have been placed inside the Chinese government and who have the authority to legally print Gospels of John. This is a provision only God could provide and we are grateful!

Our Gospels are available in both Simplified and Traditional Chinese, and we are strategically focused on printing in various providences with China to avoid unwanted attention. Our Partners help us print where the need is greatest and where the Gospels can immediately begin going into circulation and being shared by believers.

**The funds required to reach our goal are \$15,000. That means for every \$0.15 cents, a person is engaged with the Word of God to meet Jesus.**

**Our goal is to  
invite 100,000  
people across  
China to  
meet Jesus by  
September 2024.**

### **How can this be so cost effective?**

The Pocket Testament League has been mobilizing and equipping Christians to Read, Carry, and Share® the Word of God since 1893. Through our network of volunteers, we are able to largely eliminate program costs and direct all funding for the direct cost of printing, shipping, and sharing Gospels of John in the field.

**A grant of \$50,000 would result in over 330,000 people invited to meet Jesus.**

Success will be measured by:

1. Producing and delivering, across China, 100,000 Gospels of John. This effort involves trucks,

- cars, motorcycles, bicycles, and even rafts!
2. Mobilizing church pastors, leaders, and evangelists with Gospels of John.
  3. Engaging 100,000 people with a conversation and providing them a Gospel of John.

Outcomes will be carefully tracked and reported, including the following targets:

- Chinese across the continent will be reached, from the highest levels of government to the lowest levels of homelessness, with a Gospel of John.
- Engage 100,000 people across China from November 15, 2023 to September 1, 2024.
- All of China will continue to be transformed as whole villages turn to Christ.

**Partners:**

- For their own safety, we keep our Partners identities secret so they are able to continue to serve God with government interference.

**Languages:**

- Simplified Chinese
- Traditional Chinese
