

GOAL: INVITE 2.9 MILLION PEOPLE IN AMERICA TO MEET JESUS IN 2025.

Christians in America who correctly observe the Biblical values that once made America great, are rapidly disappearing. Further, publicly living your faith in the United States invites marginalization. In addition to our country eroding this side of heaven, millions of people are being lost for eternity.

However, what Christians in America have two incorrect beliefs. First, Americans think people are not interested in Jesus. People are spiritually hungry, unfortunately they do not see the Church as a place to go to meet Him. Second, Americans think people yell at them, argue with them, or worse, if they politely engage them with a Gospel of John. The League's experience of tens of thousands of members is the exact opposite.

The League is responding. Since 2019, 11.7 million people have been given the opportunity to meet Jesus. The League has established aggressive actions to turn the tide, praying that God's Word and the Holy Spirit will penetrate hearts. Specifically, a 3-pronged strategy is being deployed across North America to reach 3 million in 2025.

First, individual League Members, Member churches, ministries, and businesses in 2025 will reach 1.3 million people – fully funding their efforts.

Second, The League is has strategic partners, such as Fellowship of Christian Athletes, Navigators, C12, Convene, Blessings of Hope, Urban Hope of NY, and more...who lead with the Word of God as they use their specific expertise to reach targeted groups.

Third, The League's Digital APP is gaining traction in The United States with over a third of a million downloads. Further, The League co-brands its Digital APP at no cost to ministries. One ministry, for every 12 downloads, sees a person pray to receive Jesus as Savior and Lord!

Forty-three percent of our Reach America efforts are funded by our members! To reach the remaining 1.7 million people in 2025 requires \$340,000. **For every \$0.20 cents, a person in America is engaged with the Word of God, to meet Jesus.**

This effort will reach all 50 states and every major city.

How can this be so cost effective? The Pocket Testament League has been mobilizing and equipping Christians to Read, Carry, and Share® the Word of God since 1893. Through our network of volunteers (members and partners), we are able to largely eliminate program costs and direct all funding for the direct cost of printing, shipping, and sharing Gospels of John in the field.

A grant of \$50,000 would result a Quarter of a Million people being invited to meet Jesus.

Since 2019, 11.7M people have been given the opportunity to meet Jesus.
