

GOAL: INVITE 200k MORE PEOPLE TO MEET JESUS IN CHINA IN 2026.

Across China, believers are walking faithfully under some of the most intense restrictions in the world. Yet even in this environment of constant surveillance and control, the Gospel continues to move forward with quiet strength and unshakable hope.

Today, every sermon delivered in a state-backed church must be submitted and reviewed in advance. Any reference to a “higher power” is viewed as a potential threat to government authority. House churches are often forced to disband, with pastors facing arrest or being pressured to leave their communities. In some areas, leaders experience harsh punishment, while in others they are quietly warned and given only a brief window of peace.

Since 2019, more than 4.3 million people in China have been invited to meet Jesus.

Despite these challenges, the Word of God is advancing. Our League partner serving faithfully within China works discreetly to distribute the Gospel of John through trusted networks of believers. Gospels are never stockpiled in one location but are kept moving, shared one by one, hand to hand. In many churches, Members are encouraged to take Gospels each week and share them with family, coworkers, and friends, often at great personal risk.

The stories that emerge from this ministry are remarkable. One, titled From Resistance to Redemption, tells of a man whose years of opposition to the faith were undone when he encountered the Gospel of John. Another, Hope in a Hospital Room, reminds us that God’s Word meets people wherever they are, whether in a church, a hospital, or a moment of deep personal need, we are prayerful and expectant.

As China emerges from years of heavy COVID restrictions people are beginning to move freely again, and new doors are opening for the Gospel. We remain steadfast in our commitment to see God’s Word shared across China, trusting Him to protect and guide those who serve in difficult places.

In the next three years, The League seeks to invite 100 million people across the world with the Gospel of John, the Living Word of God. You can help invite 200,000 people next year as we work together to reach China. God’s Word is bringing hope, courage, and lasting change that will overcome persecution, culture, and government repression.
