

GOAL: INVITE 1.8 MILLION MORE PEOPLE IN AMERICA TO MEET JESUS IN 2026.

Across the United States, the opportunity to share God's Word has never been greater. While living out one's faith publicly can sometimes bring challenges, it also opens the door for powerful witness. People all around us are searching for truth, meaning, and hope, and many are more spiritually open than they have ever been. Yet, many Christians hold two common misconceptions. First, some believe that people in America aren't interested in Jesus. In reality, countless individuals are spiritually hungry; they simply don't view the Church as the place where they can meet Him. Second, some fear rejection or hostility when offering someone a Gospel of John. The League's experience tells a different story, tens of thousands of Members have found that most people are receptive, grateful, and eager to engage when approached with kindness and authenticity.

**Since 2019,
13.3M people
have been given
the opportunity to
meet Jesus.**

The League is responding to this moment with faith and action. Since 2019, more than 13.3 million people have had the opportunity to meet Jesus through God's Word. We are prayerfully advancing a bold strategy to reach 1.8 million people across North America in 2026, trusting the Holy Spirit to continue transforming hearts.

This approach includes:

1. Empowering League Members, churches, partner ministries, and businesses to reach 1.8 million people in 2026, fully funding their outreach efforts.
2. Collaborating with strategic partners, such as Fellowship of Christian Athletes, Navigators, C12, Convene, Blessings of Hope, and Urban Hope of New York, among others to reach diverse communities leading with the Word of God.
3. Expanding Digital Outreach beyond the current 350,000 downloads by co-branding the app with partner ministries. One ministry reports that for every 12 downloads, one person prays to receive Jesus as Savior and Lord!

In the next three years, The League seeks to invite 100 million people across the world with the Gospel of John, the Living Word of God. You can help invite 1.8 million people next year as we work together to Reach America. Together, we can help America rediscover the hope, peace, and purpose found only in Him, and watch as God's Word continues to change lives for eternity.

**Be a part of
inviting North
America to meet
Jesus.**

The Pocket Testament League has been mobilizing and equipping Christians to Read, Carry, and Share® the Word of God since 1893. Through our network of individual Members and Member partners, we are able to direct funding to resources for Members to share Gospels of John in the field.

A gift of \$50,000 moves your ministry closer to inviting 1.8 million people to meet Jesus in the U.S.
